Discussion: Understanding Medicare with **Linda Khumalo**, Medicare Program Coordinator at Pima Council on Aging (PCOA)

Linda Khumalo is the Medicare Program Coordinator at Pima Council on Aging (PCOA). As the designated State Health Insurance Assistance Program (SHIP) for Pima County, PCOA provides unbiased, no-cost direct assistance with Medicare. We aim to empower, educate, and assist Medicare-eligible individuals through objective outreach, counseling, and training, to make informed health insurance decisions that optimize access to care and benefits. PCOA does not sell nor endorse any Medicare plans. SHIP's staff and volunteers are highly trained and certified to help Medicare beneficiaries, their families, and caregivers with information about Medicare Advantage, Medicare Prescription Drug coverage, Medigap plans, explaining how supplemental insurance options work with Medicare, fraud concerns, and much more. Linda has been with PCOA for four years.

Seven years ago, Linda moved to Tucson for its glorious outdoors. She volunteers with Lend-A-Hand, another great organization that does wonderful work for older adults in Tucson. An avid hiker, when not exploring hiking trails in and around Tucson, Linda can be found on road trips exploring and learning about the Southwest.
